Antonio Sostilio

Goal

- I graduated from Boston College in May 2020. I am looking for Front-End Web Development full-time positions. I am available for hire immediately. I hope to find a knowledgeable and collaborative team of professionals. Please check out my portfolio of web development projects and feel free to contact me from the information provided.

Education

Boston College, Chestnut Hill, MA   09/2016 – 05/2020
Bachelor of Arts in Economics
Cumulative GPA: 2.768 / 4

Work Experience

Assistant Front-End Developer   05/2017 – 05/2020
Office of University Communications

- Developed websites by adding content using Adobe Experience Manager (AEM).
- Tested websites for technical glitches prior to the launch dates set by administration officials.
- Added website components to new and existing pages, such as: images, videos, and interactive maps.
- Converted outdated websites using new templates that are responsive and contain calls to action.
- Managed multiple websites throughout the work week, and submitted development projects on-time.

Technical Skills

- Front-End: CSS3 | HTML5 | jQuery

- Back-End: Express.js | Node.js | PHP

- Programming Languages: JavaScript | Python | SQL

- Databases: NoSQL (MongoDB) | MySQL (Oracle APEX)
