Goal

I graduated from Boston College in May 2020. I seeking Software Development full-time positions. I am available for hire immediately. I hope to find a knowledgeable and collaborative team of professionals. Please check out my portfolio of web development projects and feel free to contact me from the information provided.

Work Experience

Web Communications Specialist   05/2017 – 05/2020
Office of University Communications

- Developed websites by adding content using Adobe Experience Manager (AEM).
- Tested websites for technical glitches prior to the launch dates set by administration officials.
- Added website components to new and existing pages, such as: images, videos, and interactive maps.
- Converted outdated websites using new templates that are responsive and contain calls to action.
- Managed multiple websites throughout the work week, and submitted development projects on-time.

Technical Skills

- Front-End: CSS3 | Gatsby.JS | HTML5 | jQuery | React.JS

- Back-End: Express.js | Node.js | PHP

- Programming Languages: JavaScript | Python | SQL

- Databases: NoSQL (MongoDB) | MySQL (Oracle APEX)

- Design Tools: Figma | Adobe XD

Education

Boston College
Chestnut Hill, MA
09/2016 – 05/2020
Bachelor of Arts in Economics
Cumulative GPA: 2.768 / 4

Projects

Portfolio Site
antoniosostilio.com

- The website displays a homepage, contact form, and a projects page all made with Gatsby.JS and React.JS giving it a modern and clean style.

Happy Camper
https://happycamperitalia.heroku
app.com/

- Full-Stack Web Application where users can not only view, but also add their top camping sites around the world.

Languages

- English | Italian | Spanish
